

FORCES OF NATURE

COEUR D'ALENE | SEPT. 8-10, 2022

Dear Friends,

We would like to personally invite you to join us for the 2022 Idaho Governor's Cup scholarship fundraiser in beautiful lakeside Coeur d'Alene this upcoming September 8th-10th.

It will be wonderful to see everyone after the event taking the last two years off. It has been a difficult time, but we are fortunate that we were able to continue funding scholarships thanks to the support of our wonderful sponsors! We would once again like to send our sincerest appreciation to the sponsors who donated last year despite the changes. Our organization would not be where it is today without you.

A record number of 40 students have been selected from all over Idaho to receive scholarships this year. They are smart, well-rounded young leaders who prioritize community service and stay committed to their goals and ambitions for their education and future careers. These students represent a broad array of academic interests, including career technical degrees. We are proud these students have chosen to stay in Idaho, and we are excited for the bright futures ahead of them!

We hope you will join us for a weekend of friends, sporting events, social activities, and evening entertainment, all in the name of a good cause – keeping Idaho's best and brightest students in Idaho to pursue their higher education goals.

See you in Coeur d'Alene!

THE IDAHO GOVERNOR'S CUP SCHOLARSHIP

The Idaho Governor's Cup Scholarship is available to high school seniors and home school students throughout Idaho. All proceeds from the Idaho Governor's Cup are dedicated to funding this program. Academic and career-technical awards are offered to those students who plan to further their education at an Idaho college or university and who demonstrate a strong commitment to public service.

This year the Idaho Governor's Cup Board of Directors unanimously decided to increase the amount for academic scholarships to \$5,000 each year, renewable up to four years. Scholarship recipients pursuing a career technical education or trade school education receive \$3,000 per year for the length of the program, up to three years. By participating in this year's event, you provide more opportunities for Idaho students to further their education in our great state.

**For more information about the scholarship,
please visit the State Board of Education website at
www.boardofed.idaho.gov/scholarships/idaho-governors-cup-scholarship/**

I want to express my deepest gratitude to the Governor's Cup Board for choosing me as one of the recipients of the scholarship, as well as to the donors who made it possible. Thank you so much for the opportunity that winning this award has granted me. With this award, I am now able to attend College of Idaho and stay in the dormitories to experience a full and well-rounded college experience. The financial help it has provided will also let me save more money towards my graduate degree in the future - I plan on pursuing either psychiatry, law, or anthropological archaeology - and help my family put aside money for my little sister's college degree in a few years. As a child of immigrant parents, I always knew – even from the second grade – that paying for college would be tight, and I am so overjoyed to live in a state that cares so much about higher education that it organizes events such as these to raise money for the dream and privilege of higher education, as well as being part of the Idahoan community that proves its generosity and merit with every donation and every cycle of the Governor's Cup award. I promise I will

strive to re-earn this award every day in college and beyond. Thank you, truly!

STUDENT APPRECIATION

I am humbled and honored to be a recipient of the Governor's Cup Scholarship. My goal is to complete college debt free and receiving this scholarship allows me to get one step closer to achieving this goal. Initially I had planned on earning a basketball scholarship, but a football injury during my senior year ended my high school basketball career. This was devastating and left me scrambling to pay for college. My high school academics have also been important to me and I have worked hard to be a straight "A" student.

My college goals include attending College of Southern Idaho for 2 years working on a Business Associate Degree. Then I plan to finish my bachelor's degree majoring in Broadcasting Journalism. After college I hope to be a sports analyst and run my own business on the side. Hard work pays off! Thank you for this scholarship and opportunity to represent Idaho!

Hello! I am Ashlee Empey, one of the recipients of the Governor's Cup Career-Technical Education Scholarship. I was sitting at my kitchen table eating dinner with my family right before my high school graduation ceremony when I looked down at my phone to see an email titled "Idaho Governor's Cup Scholarship." I opened the email to find out that I had received this amazing scholarship. I immediately lit up in excitement as I shared the news my family.

My plan is to complete the Medical Assisting Program at the College of Eastern Idaho. With the help of this generous scholarship, I will be able to maximize my college experience through service, volunteer opportunities, and internships, while not having to work additional hours at my job. It will ease the financial burden on my family as well. Your support will make an extraordinary difference in my education and my future career goals. I appreciate it so much and want to thank everyone who made it possible for me.

The team scramble format will have two flights, gross and net. Winners will be determined by a two-day (Friday and Saturday) team total.

The team best ball format will have one flight, gross and net. Winners will be determined by a two-day (Friday and Saturday) team total. Additionally, those playing the team best ball format will be eligible for the individual stroke play tournament. Winners will be named in both the gross and net contests in 2022. There will also be day prizes at each course for men and women long drive and men and women closest to the pin.

If you have an established handicap, please enter it in the box titles "known handicap" when you register online. Handicaps will be verified prior to the tournament. If you do not have a handicap, please enter your estimated usual average score for 18 holes in the box titled "usual score". To ensure availability, please make room reservations as early as possible.

ROOM RATES

Please make room reservations early, especially if you have a large group to accommodate. In the past our number of guests has exceeded the available rooms in the Coeur d'Alene Resort. If this occurs, you will need to make reservations at one of the other area hotels.
