

Fly Fishing

This is an exciting, two-day program with a local fishing guide. The trips are guided on the Coeur d'Alene, Clark Fork and St. Joe rivers. Anglers of all experience levels enjoy this event. Complete beginners may be taken to a stocked pond where they can receive some one-on-one instruction. This is an excellent way for beginners to learn the art of fly fishing. For the intermediate and expert angler, it is an opportunity to improve your skills in a beautiful part of Idaho.

When you register online, you will be asked for information about equipment needs and obtaining a fishing license. If you do not have an Idaho fishing license, it will be taken care of for you by the guide shop. In order for the guide shop to secure your fishing license for you, personal identification information is required. If you are not comfortable submitting this information to the guide shop, please secure an Idaho fishing license prior to the event.
